

The Military Edge is a publication geared to inform military members of what they need to do to prepare for their transition from the military into the civilian workplace or retirement.

**How often is it published?**

Every two years

**Where will it be distributed to?**

All military transition offices (Navy, Air Force, Army, Marine Corps, Coast Guard)  
Military Base Hospitals  
VA offices  
Email blasts to military members and influences  
Military job fairs

**Why should I advertise in this publication?**

**Save money, time, and quality**

It will be obtained by many military members with the skills you're are looking to fill your positions.

It would assist in decreasing time positions are filled

Save money and time by reaching your target audience faster.

Permanent advertisement to give company recognition.

**How many will be distributed to different markets?**

100,000+ annually
